This is an Official Press Release to inform everyone interested about our company, services and business practice. Should you have any concerns or comments, do not hesitate to contact us!

Profit Forex Signals represents a company managed by a mature team of traders and support specialists that is providing forex trading signals and trading advisory services for more than 8 years. We invite everyone to take a look at our website and check the service details, performance proofs and integration procedure.

As of May 15th, 2018, we are happy to announce that we have passed the 20000 clients barrier. For this we want to thank everyone who has ever worked with us or just visited our website. We are deeply honoured by your interest in our service and we welcome you to check our promo page to get the best offers in the forex industry.

Recently we went into a big upgrading process where our service and business practice were improved to the highest level of satisfaction possible! As a part of our service we now offer free EA copier, free mt4 hosting, free SMS and email alerts as well as free desktop and smart phone alert applications.

Our support centre is available almost 24/7 to help anybody that might need it, from clients to regular visitors and business partners.

We want to assure everyone interested in our service of the honest business practice we maintain and the reliable service that we provide! Our goal is to make our clients happy by providing them the complete ultimate solution that any forex trader would dream about!

OUR SERVICE:

We provide forex signals services in several packages as described on our pricing page. Everyone interested in becoming a client must be aware of several things mentioned below. You must also make sure you read our T&C, RISK & PRIVACY information visible on our website at the links in the footer. You are completely responsible if you fail in any way to read, understand and accept the above and the following mentioned service specifications:

- Our service is suited for every type of investor/account size.
- As a client you will receive our service of forex signals and all the necessary advices in order to get started and have a perfect trading experience.
- The forex signals service is provided via SMS, E-mail alerts + FREE EA Copier and FREE MT4 hosting on our secured server. This means that if you lack time you do not need to worry about anything as our service will be provided automatically.
- M&A PRO CONSULTING LLC has made all the necessary arrangements so that every client is satisfied with our service. With this being said DO NOT keep the LIVE CHAT or Skype operators busy with no reason at all.
- We process more than 800 emails per day, more than 300 LIVE CHAT and Skype conversations, so please be patient while we process your query.
- Once you become a client, the starting procedure can take for up to 2 hours. Please allow us that time.
- We support the following languages: English, Spanish, and French.
- Should you choose to follow regular alerts and not our EA copier, you are completely responsible for your actions regarding risk and money management and we will not be held guilty if you fail in any way to respect our advices as a service provider.
- To find out more about our company, service, promotions and business practice, FEEL FREE TO CONTACT US!

Thank you for being a part of our family!

Ninoslav Golubovic, CEO & CO-Founder of M&A PRO CONSULTING LLC
